KEYNOTE SPEAKER: Leighann McCoy

Leighann is an author and speaker who helps women develop a never fail faith. She knows an unflinching faith is possible because she's no stranger to the tough stuff in life. Leighann has endured a personal battle with cancer, walked with her daughter through a teen pregnancy, and served for over 25 years as a pastor's wife. That's enough to test anyone's faith! Yet, in those experiences, she wasn't afraid to ask God the hard questions about disappointment, failure, and loss. What she learned changed her life and transforms the women she teaches.

MUSIC BY: Abby Howard Music

Abby Howard Music began in the fall of 2014. The ministry is focused on leading worship at church services/events with the hope of giving worship leaders a break and a chance to relax. AHM just recently had the opportunity to open for The JJ Weeks Band in August and comedian John Crist in November! Their

latest album "Worship Unrefined" was released in April 2016. You can stay connected with Abby Howard Music and find all the band's latest music on their website www.abbyhowardmusic.com.

"How happy is the man who does not follow the advice of the wicked or take the path of sinners or join a group of mockers! Instead, his delight is in the Lord's instruction, and he meditates on it day and night. He is like a tree planted beside streams of water that bears its fruit in season and whose leaf does not wither. Whatever he does prospers." Psalms 1:1-3

MUSIC BY:

Sarah Scarborough McLaughlin

McLaughlin is a worship leader/songwriter and blogger. As a wife of almost fourteen years to her best friend & college sweetheart, mother to five children under 7 years old, she has seen her fair share of seasons. Through her writing, she articulates the mountain and valley experiences of journeying through life with depth, sincerity, raw emotion, and humor. Sarah strives to sing the praises of real life and lament the struggles as well. She half-jokingly says that her vocation is sitting around the table crying with people. Sharing stories (of all kinds) is at the forefront of what she does.
