## CLASS DESCRIPTIONS

**See You Next Week or See You Next Year?** – We had a great VBS! We had twice as many kids enrolled in VBS than we average on any given Sunday morning. WHAT DO WE DO? How can we leverage that momentum and turn a VBS prospect into a Sunday morning regular? Come and explore follow-up and discipleship strategies to implement after VBS.

**Go For the Gospel!** - This breakout will discuss how teaching kids the Gospel is the goal of every bible lesson and three questions you can add to lessons to get centered on the Gospel.

**Missions** – Too often the children’s missions breakout gets overlooked! Come see how you can incorporate the missions breakout into your Game ON! VBS.
