"Churches today face many challenges from a variety of sources. The State Convention of Baptists in Indiana (SCBI) wants to help you navigate these challenges. One new resource we have connected with is Alliance Defending Freedom (ADF). This Christian legal group is available to you for advice and consultation. Because the SCBI is a member, you have the opportunity as a church to join ADF and get a 20% discount on legal help as well as help on some basic needs like having their attorneys look over your legal documents. If you have questions you can contact your SCBI staff and we will be glad to talk with you about this opportunity."
