

# SAFETY LEVELS FOR CALVARY GATHERINGS

This light system is designed to give clear outlines for what church services and events will look like based on the current recommendations.

We will use these colors to describe various events to help our church assess the level of risk in attending.

## RED LIGHT

CDC PHASE 1

No gatherings

- the building and offices will be closed

## ORANGE LIGHT

CDC EARLY PHASE 2

Gatherings with significant safety measures in place

- anyone with health issues and those over the age of 60 are advised not to attend
- heavy cleaning and sanitizing precautions will be taken
- size of gatherings will be limited
- no programming for kids or students in the building
- the building will only be open for Sunday morning worship and limited office hours

## YELLOW LIGHT

CDC LATE PHASE 2

Gatherings with moderate safety measures in place

- no restrictions on who should attend
- heavy cleaning and sanitizing precautions will be taken
- size of gatherings may be limited
- a separate space will be provided for those at higher risk
- the building will be open for weekly activities as determined on a case by case basis

## GREEN LIGHT

CDC PHASE 3

Gatherings are back to normal

- services and ministries will resume as normal as possible
- heavy cleaning will continue
- everyone will be encouraged to worship, serve, and be in community together

**Who and how are we determining what light we are on?**  
The senior staff will be making recommendations to the chairs of the Personnel, Finance and Deacon teams. These three chairs will provide accountability and guidance for the staff in making the final decisions.
